MESSAGE FROM THE PRIME MINISTER

I am delighted to send my best wishes to all those involved with the GFTU Education Sports Forum.

You have set yourselves an important goal – of expanding educational opportunities for those in professional sport.

This is vital to help them make the most of their full potential and also to prepare them better for life outside sport.

All this explains why the Sports Forum has already got the support of professional bodies as well as some of our country's best known sports personalities.

I hope the Sports Forum goes from strength to strength.
